

Graduate Leadership Programme

Achieve your potential

Aurivo Co-op is a globally focused agri business, with exciting consumer brands and a diverse commercial portfolio across:

- Dairy ingredients
- Consumer foods & sports nutrition
- Retail & lifestyle stores
- Animal nutrition
- Livestock marts

As an ambitious, global business, the Graduate Leadership Programme plays an important role in Aurivo's talent pipeline for continued growth and success.

- 34 retail & lifestyle stores
- 2 dairy processing facilities
- 1 animal feeds milling site
- 4 livestock marts
- Offices in Sligo & London

At a glance...

570m turnover

Exports to 50+ countries

700 employees

Sustainability

Our whole journey at Aurivo is about sustainability: from our suppliers, to processes, into our communities in Ireland's north west and to global customers in 50 countries.

As custodians of our land's future, sustainability is embedded into everything we do at Aurivo. We support farmers to ensure our environment and rural communities thrive for future generations while keeping our planet clean and green for our children's children.
